

“We need to *maximize* our  
AMI data and *improve* the  
quality of customer services.”

## Aclara liberates.

Free your AMI data. Aclara helps you **understand** your data and identify problems – from water leaks to power theft. Plus, Aclara Software™ lets customers comprehend their bills, manage costs, and conserve resources. The *best* choice for understanding meter data, Aclara liberates.

**Capturing data. Liberating knowledge.™**
